Projects

Materialised

Ruby on Rails

A web app similar to uber eats for construction materials, facilitating the jobs of site managers and removing the pain of last minute needs.

Project demo:

https://www.youtube.com/watch?v=O-verHihV88&ab_channel=LeWagon

Buddy Bookers

Ruby on Rails

A web app where you rent out your friendship for someone that needs company or just someone to talk to.

Education

Full-stack Web Development Bootcamp, Le Wagon
Oct 2022 - Dez 2022

9 week full time coding bootcamp learning HTML, CSS, Bootstrap, JavaScript ES6, SQL, Ruby, GitHub, Heroku and Ruby on Rails

Mechanical Engineering, Instituto Politécnico de Setúbal
2020 - Present

College degree in progress, what introduced me to programming and made me fall in love with it. Mostly classes about physics, maths and materials

Work Experience

Cashier/Cashier Supervisor, Continente
Sep 2019- Oct 2022

Key responsibilities:

- Help customers in every way possible
